ADVISORY:

Parma city officials say they will fully cooperate with federal investigators following the latest issuance of subpoenas late Tuesday afternoon. The subpoena requests records dealing with four companies: Municipal Solution, LLC; Vincore, LLC; Vorys, Sater, Seymour and Pease; and 888-OHIOCOMP.

“I am extremely confident the business conducted by the City of Parma has always been above board – always conducted in a professional, legal and ethical manner,” said Parma Mayor Dean DePiero. “We will fully comply and cooperate with the U.S. Attorney in this subpoena records request.

“It would be improper for me or any other city official to comment further until this runs its course,” added Mayor DePiero. “As always, our commitment remains to continue to serve the people of our community to the best of our ability.”
